Smith,

Maybe I should have written this before F.H.'s antics the other night. Just kidding. You are really the greatest friend any one could ever hope for. It has really been wonderful knowing you for these last millionium. (I can't spell the word). It's been too much. You have known and put up with me, through Thick (which most of it is and was) and Thin. I will never, no never forget some of the nutty things that we have done. Now that we are almost out we can think of some more goodies. Bigger + Better things loom ahead. I promise to save you one or two of those darling college boys. But if you really want F.H. I will let you have him too. Very generous offer. I know you really appreciate me. I must thank you again for the present. I can't express for the life of me the gratitude that I feel. You really surprised me. Thanks! I am sure that we won't lose touch, even with you in the business world and me trying to learn something. Smith, I don't know how a self-centered person like myself could have done it, but several times I have broken down and told you some of the things that I really feel and I must inform you that having some one that I can do this to means a hell of a lot. Nasty word!. We have certainly grown up together. Quite a change in both of us in the past few months. I think you understand what I mean. Remember the Portuguese Hall. Wow! Pay and Blue + Gold Ball. You were my right arm. Remember the first Holiday Dance. I don't think that you will be able to forget that swinging party we threw. I think that we should have thrown it out. Completely. No, it was really fun. Due to the fact that we have so much talent in pinning on corsages, ushering and so forth, I think that when we both get out into the big world we should get a job as hostesses. The Mother's Tea. When we get all of our money saved we could take a trip. Remember that, cause we are going to do it. A really neat trip. I will give you a guided tour of the U.S. This shall be continued on the last page, with the page after the last page, on the page before

CAVALCADE

VOLUME XXVI

TERRY RIORDAN . . . . . EDITOR
FRED MEURER . . . . . ASS'T. EDITOR
MR. SHELTON . . . . . ADVISOR

FOREWORD

We, the yearbook staff, proudly present to the Student Body of Clovis High School, the 1962 CAVALCADE. We have chosen "Our Diamond Jubilee" as the theme of our book to commemorate the past sixty years which led up to this wonderful year, 1962.

The campus heritages and traditions of today are based on the foundations and ideals that have been laid over the years.

Glancing backwards, it becomes apparent that Clovis High has been able to continue to succeed through the years only because of the foresight of the graduates who have shaped the policies of the school. The memories of yesterday have echoed through the years since the first two graduates of 1902 passed through the doors of Clovis High. Their goals have left lasting impressions upon the students who have followed in their footsteps.

The 1962 CAVALCADE presents a picture of a school ever awake to the changing times . . . a portrait of the faculty members who direct the students . . . a close-up of the students who will leave their Alma Mater but will keep the thoughts of her always.

Besides recording the past, CAVALCADE foretells the future, for the world of tomorrow belongs to our generation. Therefore tomorrow will be only what the students of today make it.

DEDICATION

This Yearbook is dedicated to a man whose qualities of friendliness, loyalty, and sportsmanship have won a place of high respect and deep admiration among both the students and the faculty of Clovis High School.

In his eleven years of service to the school, he has assisted many clubs and organizations. At present he is an advisor to Student Congress, Future Teachers, and is a Sophomore class counselor.

His B.S. and M.A. degrees were acquired at the University of San Francisco, San Francisco State and Fresno State Colleges.

Those who know him are acquainted with his undaunted willingness to donate his time and efforts toward the advancement of our school. He is a teacher who is interested in our problems, patient with our faults, helpful with our efforts, and happy with our successes.

It is with these thoughts in mind that we of the Senior Class humbly acknowledge our gratitude and express our sincere thanks to this man. We are extremely proud and honored to dedicate the 1962 CAVALCADE to MR. JOHN QUILL.

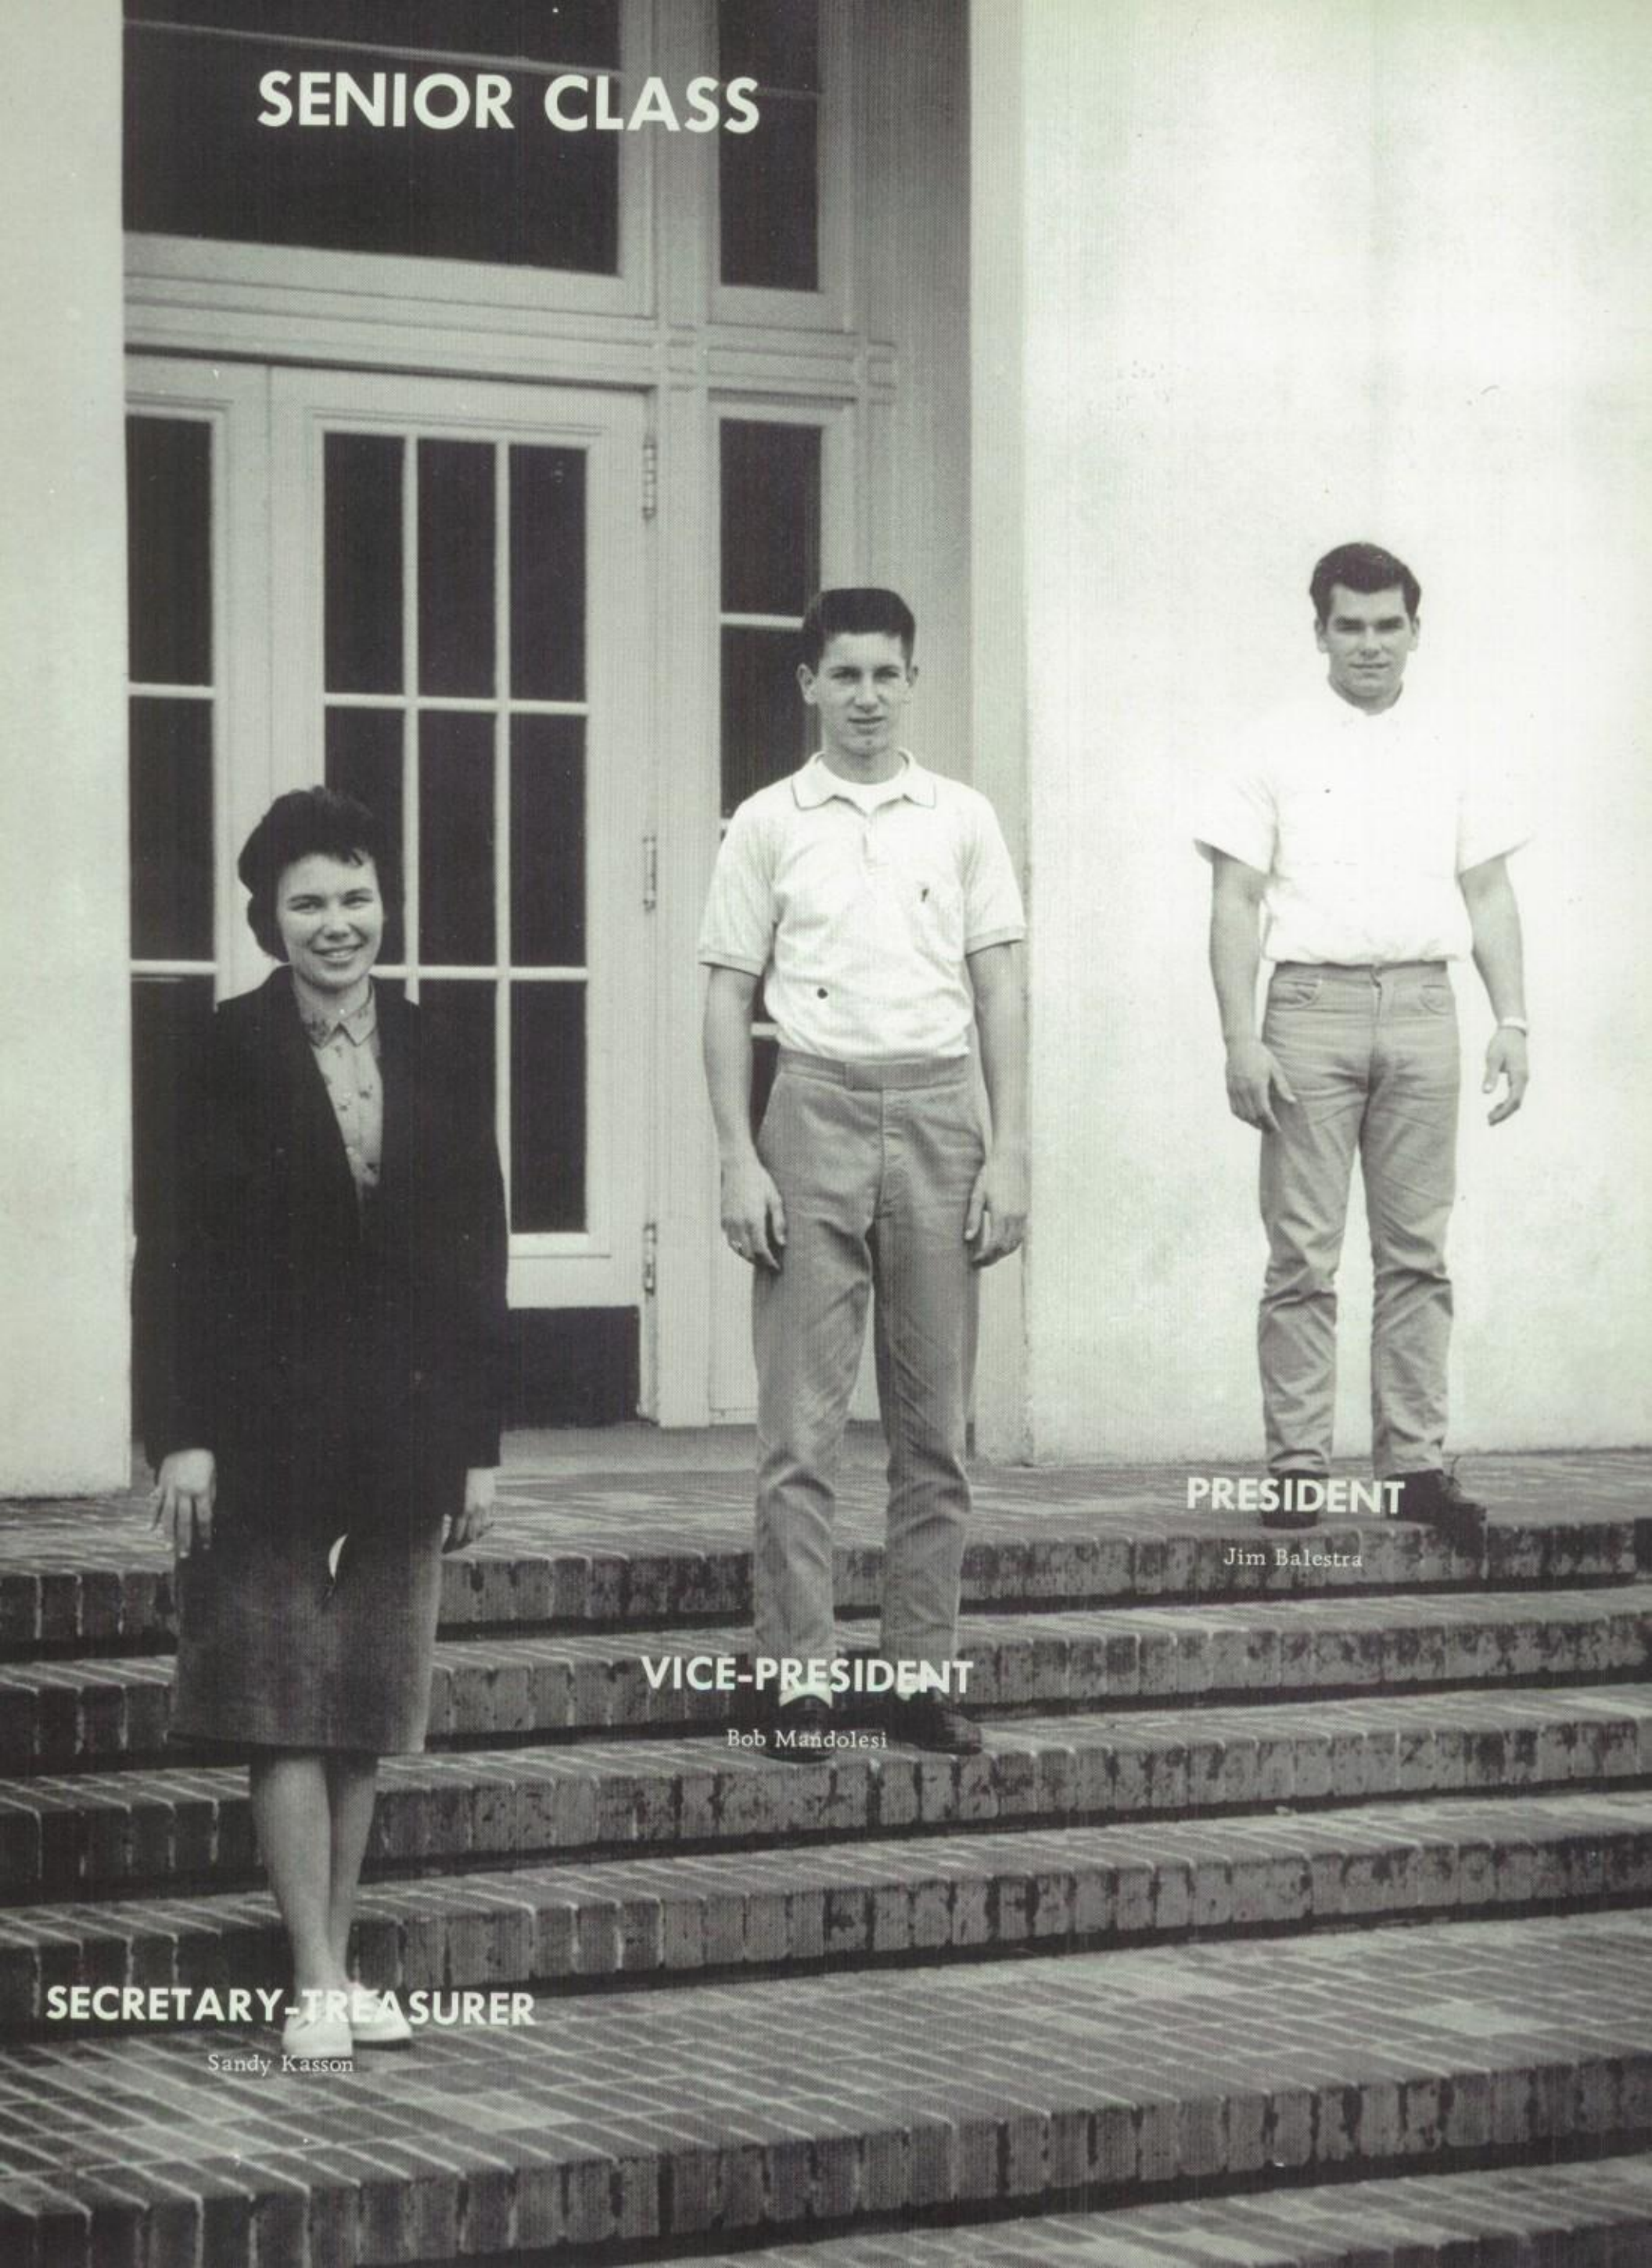
SENIOR CLASS



PRESIDENT

VICE-PRESIDENT

SECRETARY-TREASURER

Sandy Kasson

As the year comes to its finale, the Class of 1962 can fondly look back over the four years and vividly recall the memories that will remain with us always.

At our first class assembly, we elected our class officers--Pete Mouliot, President; Terry Bowen, Vice-President; Jimmy Reed, Secretary-Treasurer; Sandi Sanders, Social Chairman; and the yell leaders were Sandy Jackson, Mary Mechem, and Ruth DeLeon. These officers helped our class in shaping the future policies which we now observe. The major events of the year were our P.T.A. Get-Acquainted Dance, and the crowning of our class representative, Sharyn Hamburger, as Football Queen.

With one year down, and three to go, we went into our Sophomore year under the leadership of President, Alfred Alvarado; Vice-President, Terry Riordan; Secretary-Treasurer, Judy Jolley; Social Chairmen, Dick Takahashi, and Sandi Mead; and Yell Leaders, Ruth DeLeon, Sandy Jackson, and Mary Mechem. This was the year for much activity. The Ring, Social, and Sales Committees were outstanding in their contributions to our class.

In 1961 we were faced with the challenge of being upperclassmen. To lead our class in its many responsibilities, we elected Jim Balestra, President; Bob Mandolesi, Vice-President; Patty Docker, Secretary-Treasurer; and Cathy Stark, Yell Leader. At the football games we sold coffee, doughnuts, and apples as one of our money-raising projects. "The Family Nobody Wanted," our Junior class play, was the highlight of our money-making plans. The close of our Junior year brought about the long awaited Junior-Senior Prom. We worked diligently on carrying out the theme, "South Pacific," in an exotic manner--complete with Tiki gods and little grass shacks.

Our Senior class leaders were Jim Balestra, President; Bob Mandolesi, Vice-President; Fran Flake, First Semester and Sandy Kasson, Second Semester, Secretary-Treasurer; Jim Hugenroth, Yell leader. Selling pepsis at football and basketball games, and presenting the after game dances were two of our major activities to raise money for the Senior stone. There were many other special events which will always be remembered by the Seniors of '62--a few of these were: The Senior Play, Senior picnic, Senior Luncheon, and Baccalaureate. These activities were concluded on June 7 on the football field--when the Senior Class of 1962 passed its commencement exercises. As we bid a fond adieu to our Alma Mater, remembrances of our cherished friendships and bustling activities will follow us into the future as each of us goes his separate way. So we say, "GOOD-BYE CLOVIS HIGH, GOOD-BYE!"

This year's varsity football team was a small, inexperienced squad with great spirit and morale. In numbers, they were few; in size, they were small; in desire, the word "big" simply does not describe how big their desire was. Upon receiving continual injuries, they were always able to battle back and give opposing schools, which they were supposedly outclassed by, a tough game. They were beaten this year many times by large scores; but the important thing was that they would never give up, no matter what the score.

The highlight season was their 20 to 19 victory over Central. Going into the last minutes of the game, they were behind by only one touchdown. In their last chance to get the ball over the goal line, it was necessary for many reserves to take over the first string duties. Most of them playing their first varsity game, the reserves carried the ball all the way and made

the conversion for our first, and most dramatic victory. The cougars showed what they could do to a team which was compared as somewhat equal to their own. Edison was supposed to have the closest team in calibre to Clovis', but they were still considered to be a better team. Clovis met them with a decesive 34 to 19 victory.

Things look bright for the oncoming football season. This year's team consisted of only five seniors, with the major portion of the load being carried by sophomores and juniors. They will have most all of their starting offensive unit back, which was outstanding this year, with excellent replacements for those who will graduate. Because of the tremendous desire displayed by the boys that will be returning, and helpful experience they have received; Clovis is sure to have a league title contender in the "62" football season.

One needs only to look at the season scoring record to picture the unusual success of this year's Freshman-Sophomore football team. They began the season with only four experienced players, and their overall size was much smaller than that of the average team. In their league. In the first three games, they were held scoreless while giving the opposing teams numerous touchdowns.

At this point, many began to wonder if this team would ever score, or even make a first down. But this group of boys and coaches were unable to let the past rule the future. With tremendous desire on the part of every one, they won four out of their next six games, which placed them second in the league. Coming from the bottom to the top is the most valued type of success, and the members of this team, as well as the student body, have great reason to be proud.

A touchdown in the making.

Much valuable talent gained excellent experience by being members of this year's successful "B" team. As usual, Mr. Browning, "B" football coach, developed a young, inexperienced group of boys into a fine football team. Because of their season five win; four loss record, and their fourth place league standing, we can look forward to some fine Clovis High football.

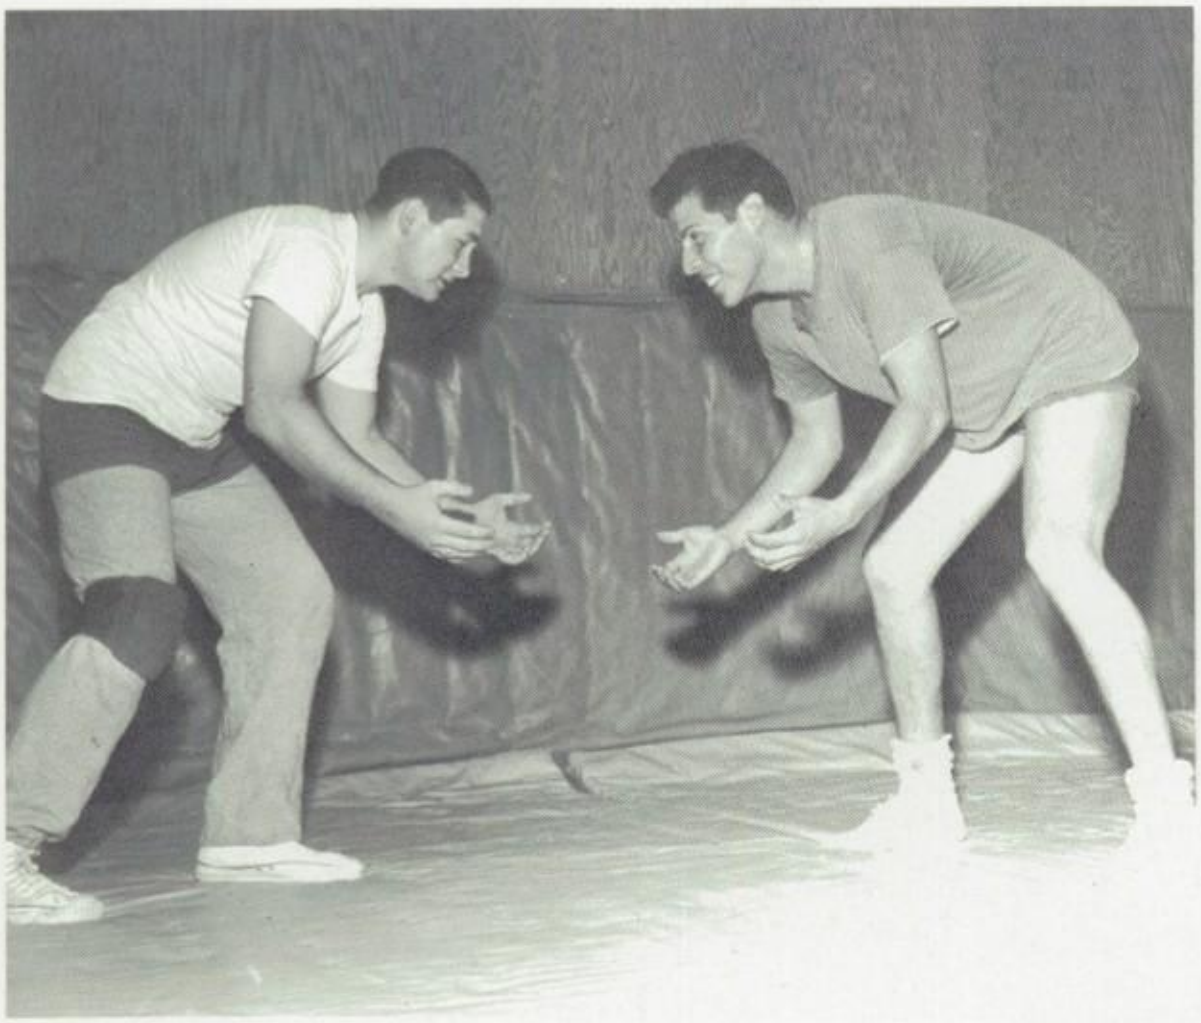
Coach Doig

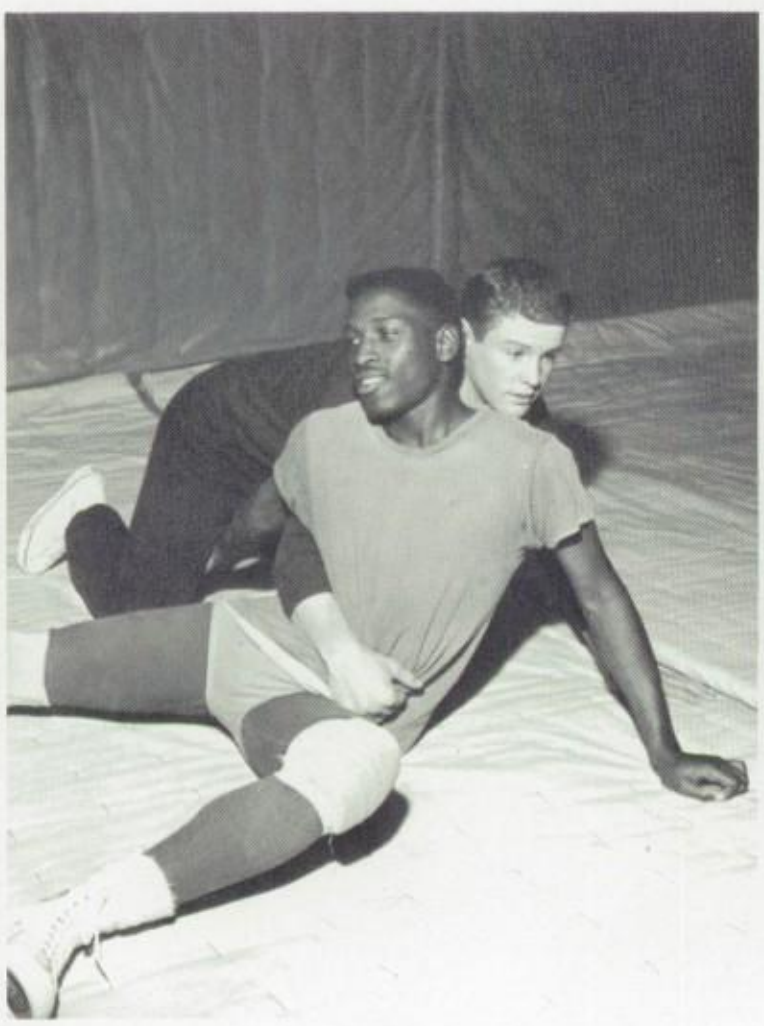
Although wrestling is one of the oldest sports in the world, it is the newest at Clovis High. Head coach Mr. Doig has created much interest for the sport through his tireless efforts. The members of the squad, equally enthusiastic about the new sport, have worked hard this year to make the name "Clovis High" a feared one in the wrestling world. We have no doubt that Mr. Doig will build his wrestling program to that which will be of an even higher calibre than it is now.



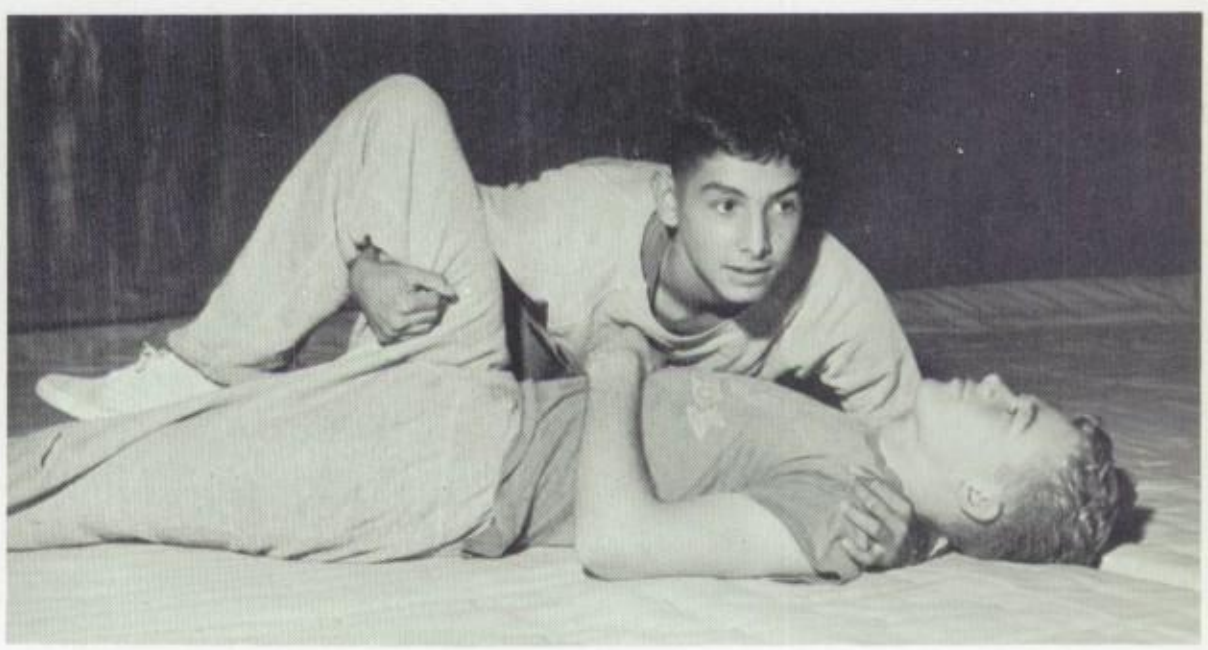
Rodriguez and Parker vie for a take-down.

Karagavoorian attempts to take rugged Pendergrass to the mat.

Tiger Turner attempts to elude rough Robles.

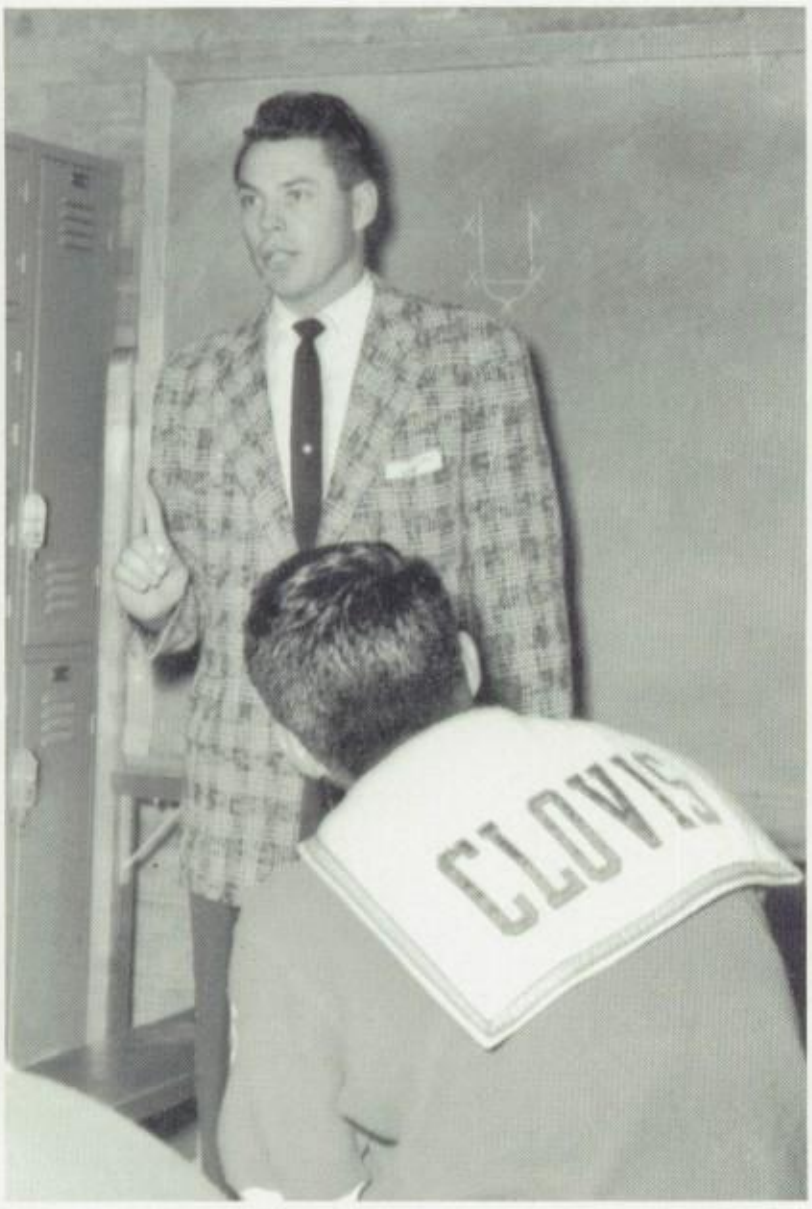


Brannon is executing a switch on hapless Sturgill.



Ronell trips and pins Richmond.

VARSITY BASKETBALL



Coach Stark

The greatest thing a team can have is the desire to always do their best and to have team-work. In these two respects, this year's team was one of the most successful ever. To look at their record, one would think that the team was quite poor. But the record isn't indicative of how good a team is. In every game that this year's Varsity Basketball team played, they were in contention of winning.

The victory over Fresno High was undoubtedly the highlight of the basketball season. It was the first time in seven years. They also placed second in the Mt. Whitney tournament to carry home more honors.

It is this type of true Clovis High athlete we can be proud of, win or lose.

They, along with the "JV" and Frosh teams both of who had a highly successful year, are expected to help the varsity tremendously next year. As always, we wish you the best of luck.

VARSITY

In the past year, baseball has been one of the most successful sports at Clovis High. With teams thought to possess very little talent, it has always managed to surprise by finishing the season in the upper division of the league.

This years team may differ somewhat in that it does have a great deal of talent, although it is inexperienced. As a result of its lack of experience, the pre-season rating of this year's team is no higher than it has been in the past year.s We hope that the confidence and the high spirit displayed by these boys in the past will carry them once again through a winning season.

TRACK

The purpose for having "B" and "C" teams is to build better varsities. With the talent on this year's track teams, it looks as though our future varsity track teams have much to look forward to.

COUNTRY

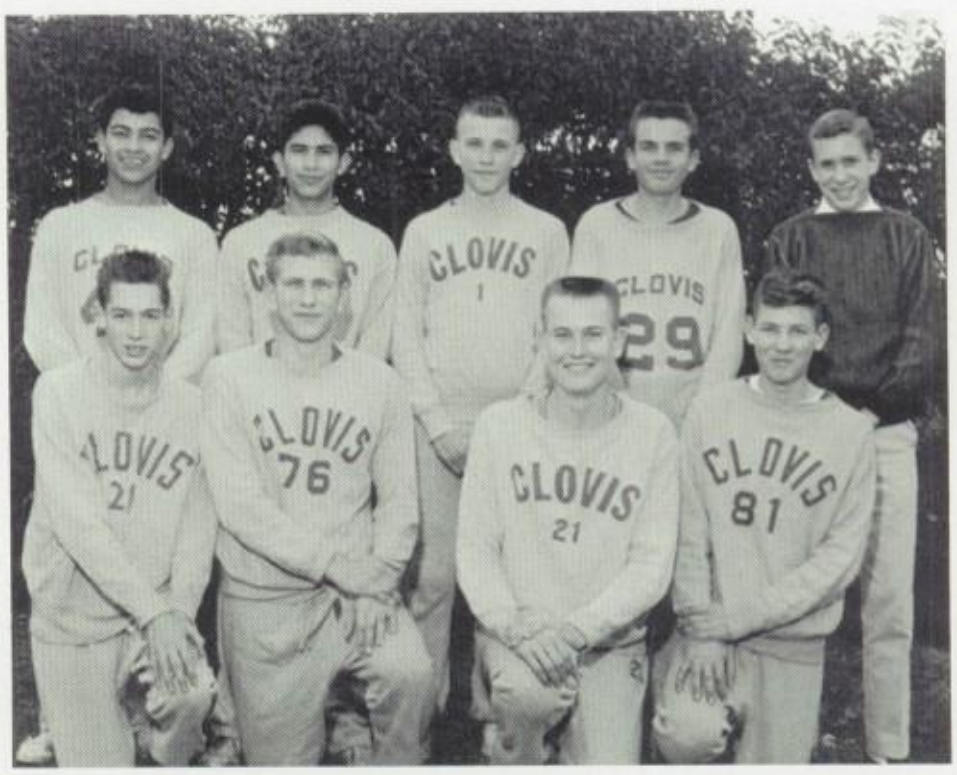
Up, up and away!

If they only had wings!

Colleen Leman,
Statiscian

Junior Varsity--ROW 1: Ben Romero, Bob Alcanter, Bill Shatto, Gary Yamamoto, Richard Badders, Jack Yeghoian. ROW 2: Tom Folsom, Bob Pendergraft, Russell Carter, Dan Austin, Bill Jay, Marcello Diaz.

This year's Cross Country team was quite successful in many respects. First, after only its third year in existance, the new sport attracted thirty-five participants. Second, the Freshman-Sophomore team placed fourth in their divisional meet and sixth in the valley. Because only four seniors will be leaving this year's team, next year's team will be stronger and more experienced. This possibly means a championship team for Clovis High.



Freshman-Sophomore--ROW 1: Emilio Diaz, Frank Romero, Mike DeLara, Dale Jones, Stan Cooper. ROW 2: Harry Doolittle, Sam Gueydan, Bill Rice, David Smith.

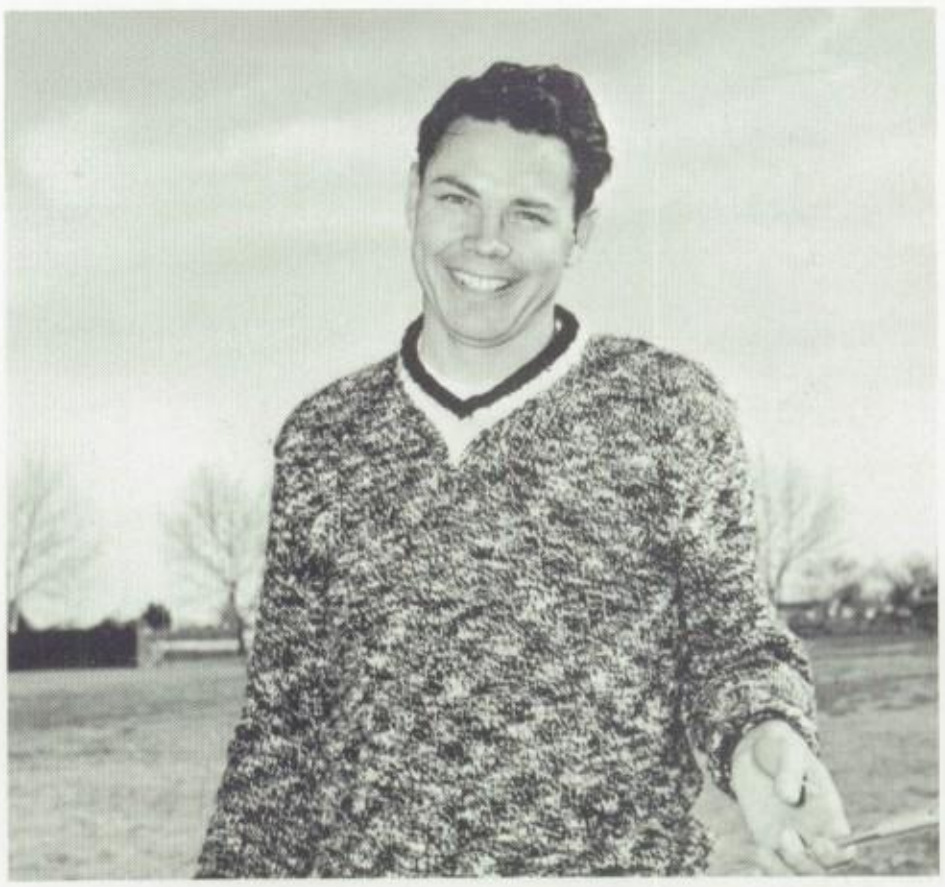
GOLF

Golf is becoming another popular sport at Clovis High. It has attracted some young talent from which Mr. Stark expects to build a top notch golf team. Much hope is being put on Greg Rose, a freshman, who could possibly be the team's first man. Clovis is sure to prosper from the future successes of these boys. Good-luck to a fine group.



Coach Chuck Stark

BOYS' SWIMMING

All swimmers use them.

Who doesn't believe in superman?

Swimmers?

Where's my whip?

As usual, this year's swimming team, under Mr. Utter's supervision, will have a prosperous season. This is insured by the returning girls' swim team which placed first in the valley last year. Jim Scott, Highly successful in previous years, will be the strong point around which the boys' swim team will be built. In diving, Jody Sholtz has already started up the ladder by placing second in the valley. Our swimming team is highly spirited and certainly an asset to Clovis High.

Coach Woods

The only championship team Clovis High has had while it has been in the N.Y.L. has been the tennis team. Our cougar netters have held the league title for the past two years. This year's team has many returning lettermen and are looking forward to another excellent year. May the tennis team continues its past success.

Present were Gary Moore--Dennis Hough; Mitch Miller--Mr. Caire, Perry Como--Mr Eben, and Al Radka--Don Hillman. LAST

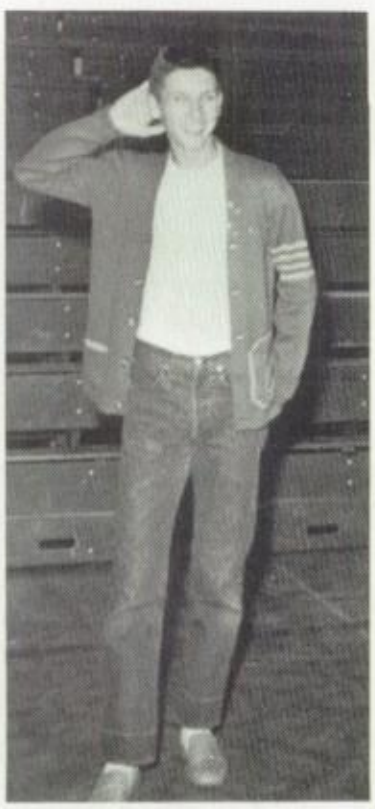
Let me entertain you . . .

That won't stop me

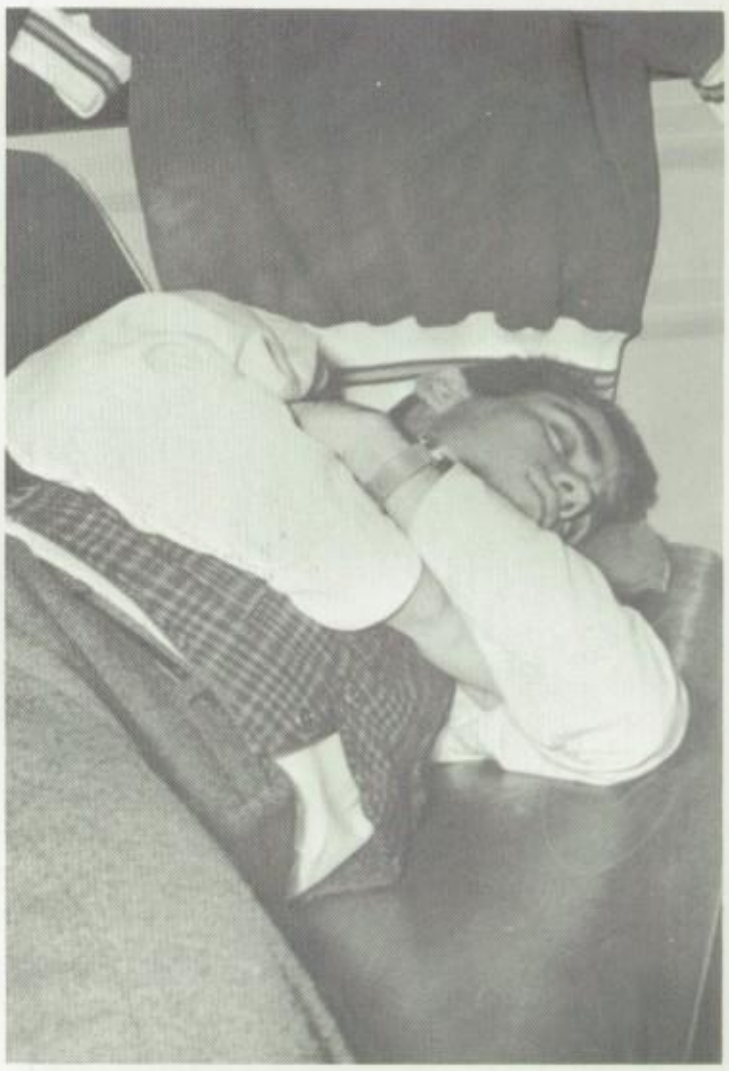
Wait until it gets to the pop, buster.

Now, where did he go???

Once more with feeling, Mary Pat.



Woweeeeeeee!!!



I dream of with the blonde, red, brown, black hair . . .

Won't you please buy some tissue paper?

The donkeys are the ones with the long ears.

(Oliver and Campbell)--"Now fellow band members--"

ANTICS

Let's vote on it!!!

Work is the greatest thing in the world--let's save some for tomorrow!

The donkey--yes. The ball--never!

Which goes first--the head or the feet?

Now what do I do

Who lost their contacts now?

Those darn bubble dancers!!!

EPILOGUE

As it is now time for our final words, the CAVALCADE staff hopes that as you turn the last page in this book you will recall many of the enjoyable moments that we have strived to recapture for you.

Since work first began on the 1962 CAVALCADE, many people have given many hours of their time and effort to its production. We wish to thank these people very sincerely for their help: Mr. Judson Shelton, our advisor; Mr. Art Shields and American Yearbook Company for publishing this Cavalcade; the S. K. Smith Company for our cover; Mr. Thomas Robertson, for his assistance in our photography, and the administration, faculty members, and students for all their cooperation.

So teach us to number our days, that
we may apply our hearts unto wisdom

Hoax number one at Clovis High and it was a success.
I forgot to tell you, this was continued and is continued from
the first page, from the page before page one and from the
page after page one. Anyway its continued from somewhere
We really should take a trip to the mountains sometime. It
would really be a lot of fun & bet. I wonder if the rooster
is fine. We are going to have to reform. Nasty word.
Remember all the fine times we had with the gang.
I must tell you that it has really made the year
complete to have you as a friend. It really means
a whole lot. This summer should be something - to
remember & should I say forget. Good luck with a job.
Try and forget that night. D.D. F.H. was over. It
will help a lot if I can forget it, but I won't.
Well you and Mrs. Pearl are finally through.
Which means that you can & should be able to
parlez-vous français?! I will never forget when
we were working on the Prom. What a picnic!
Monterey! We can only keep our fingers crossed and
hope. Good luck with Marlin, Ray, John, Ed, Bill,
F.H., Ben, Don, Pat and all the others. They should
keep you busy. Don't forget the time that we....
Now that should keep you thinking. We have had a
lot of those times together. Sam's Party. What
party. I am glad we had sense enough not to
go. Remember the next day, what a panic. Well
its really been a year full of memories, but what
kind of memories I would rather not say. Remember
J.T. now J.W. and her antics. It's really too much.
You can't forget that one. I will never forget
you or this year. We must really have some goods,
& meant good times. Stay like you are and you
have it made.

Always,

Joann,
Boy, will I be glad to get rid of you.
But really I'm going to miss you.
Knowing you I've enjoyed
And I hope that we are
sexy as ever.
Love ya,
Sylvia
P.S. Take it easy with
all those boys
Joann,
It's hard to believe that we are already graduating. I can remember when we were
in grammar school together. I hope
we acquaintance doesn't end now. I wish
you the best of luck and happiness
Love,
Patty
Joann,
